## SPRING 2021 TOMMY JEANS COLLECTION MIAMI VIBES

Miami Vibes, the Spring 2021 TOMMY HILFINGER TOMMY JEANS collection, celebrates authentic street sports enjoyed on the boardwalks and beaches, channeling a South Beach vibe with urban and athletic influences. Playful T-shirts with basketball-inspired graphics draw from Miami streetball, while vintage prints, sequin appliques, workwear details and new 3D effects add a signature TOMMY twist. Knits continue with their super-soft touch, contrasting with edgy-looking cargo pants, band T-shirts or a hooded jacket. Basketball silhouettes are reimagined with mixed denim materials. Hints of neon pink, citrus lime, and the newly introduced brushstroke Leopard print add a bold touch to the signature red, white and blue color palette. Unexpected logo prints feature on sleeves, while color-blocks are pieced in fresh ways and unexpected color combinations. High-tech innovations allow for more sustainable fabrications including 100% recycled cotton and garments made from only one material. A Spring 2021 TOMMY JEANS collection for head-turning styles during days in the sun.
